ML CHAMBERS

CORPORATE BROCHURE

Delivering value at the *point of impact.*

Specialist corporate law and disputes counsel in Singapore for shareholders, boards, founders and joint venture partners.

WHO WE ARE

A specialist Singapore practice *with a global footprint.*

Mark Lee Chambers Law Corporation ("ML Chambers") is an independent boutique law firm recognised for high-stakes corporate and commercial matters, with a particular focus on shareholder, boardroom and joint venture disputes and corporate governance.

Our lawyers bring a deep corporate law and litigation pedigree, alongside significant experience in international arbitration and multi-jurisdictional litigation. Our briefs are often cross-border, requiring first-tier advocacy and strategic, commercially focused advice. With every engagement, we seek not merely to add value but to create it for our clients.

In 2026, ML Chambers was named a "Firm to Watch" by both The Legal 500 Asia Pacific and Asian Legal Business (Thomson Reuters).

WHAT YOU CAN EXPECT

01

Clarity

We bring clarity, focus and conviction to complex disputes, so you can make decisions with confidence.

02

Partner-led

Direct director involvement on every matter, from first strategy call to final hearing.

03

Precision

Rigorous preparation and a strategy built around what matters commercially, not simply what is legally possible.

AT A GLANCE

High-stakes matters. *Every scale of client.*

$600m+

Share quantum in dispute in a listed company's joint venture dispute

$360m+

Share sale negotiations in which we acted for a minority shareholder

US$103m

Aggregate minority shareholding we represented in a listed-entity restructuring

EUR 110m+

Debt assignment dispute between an Indian listed company and a Swiss entity

WHO WE ACT FOR

- Listed companies and multinationals
- State-owned and state-backed entities
- Founders, shareholders and boards
- Directors and C-suite executives
- High net worth individuals and family offices
- SMEs and family businesses

WHERE OUR WORK REACHES

Matters connected with Singapore, China, India, Malaysia, Thailand, Myanmar, South Korea, the UAE, Germany, Switzerland, Italy, the UK, Australia, Panama and the BVI.

FORUMS

All levels of the Singapore Courts, and international arbitration under SIAC, ICC and other institutional rules.

OUR EXPERTISE

Curative *and preventive.*

We resolve disputes when they arise, and help companies and boards build the governance practices that prevent them.

CORE SPECIALISM

Shareholder, Boardroom & Joint Venture Disputes

Recognised by The Legal 500 Asia Pacific and Asian Legal Business (Thomson Reuters) for this specialisation.

- Minority oppression (s 216) and derivative actions (s 216A)
- Directors' and fiduciary duties claims and defence
- Board deadlock, contested EGMs and control contests
- Joint venture disputes, exits and share valuations
- Shareholders' and joint venture agreements

Corporate Investigations & Regulatory

Directors, shareholders and companies facing ACRA, SGX RegCo, MAS, IRAS or AGC action; independent counsel in internal investigations.

International Arbitration

Counsel in SIAC, ICC and other institutional arbitrations, with supporting court work on stays, injunctions and award enforcement.

Appellate Advocacy

Appeals at every level of the Singapore Courts, including civil, matrimonial, criminal and regulatory appeals.

Debt / Asset Recovery & Insolvency

Cross-border recovery, contested liquidations, judicial management and moratorium applications, for creditors and debtors.

Deal / Transaction Advisory

Structuring shareholders' agreements, joint ventures, call options and investments, domestic and cross-border.

General Commercial Litigation

Trial and appellate advocacy for corporations, conglomerates and high net worth individuals, often involving foreign law.

SELECTED EXPERIENCE

Trusted on matters *that matter.*

Shareholder, Boardroom & Joint Venture	– Acting for a listed construction company in a shareholder and director dispute arising from its joint venture with a leading Singapore property developer; share quantum exceeding $600 million. – Acting for minority shareholders in oppression (s 216) and derivative (s 216A) claims within a food and beverage corporate group. – Acting for shareholders in an SIAC arbitration over a shareholders' agreement between German shareholders and a Singapore joint venture company.
Arbitration & Cross-Border Litigation	– Advising on a dispute over the assignment of a debt exceeding EUR 110 million between an Indian listed company and a Swiss entity. – Enforcing an English judgment over assets worth more than US$17 million against foreign state-owned entities. – Acting for a South Korean listed conglomerate's subsidiary in a contract dispute against a US-based entity.
Investigations & Regulatory	– Acting for a Singapore listed company on queries under ACRA's Financial Reporting Surveillance Programme. – Acting for directors in investigations and proceedings under the Securities and Futures Act 2001 and in disqualification matters.
Transactions	– Acting for a minority shareholder in share sale negotiations exceeding $360 million, including resisting a drag-along. – Advising a Singapore company backed by Chinese state-owned interests on a cross-border solar power joint venture in Myanmar.
